From Your Pastor:

Dear Friends,

While Dr. Samuel M. Shoemaker was rector of Calvary Episcopal Church in New York City, he had an old building fixed up and began a mission to the down-and-out men of the Bowery. A famous cartoonist became interested in the Mission and drew for Dr. Shoemaker a moving poster, with a Bowery-type character standing against a wall, the Cross showing from round the corner, and the caption, "There's a place nearby, where a Carpenter still mends broken men."

The need of the world for Christ is so great today that someone must lift up his name. Someone must give voice to the recognition of his greatness and of his power to mend broken lives, to resurrect dead hopes, to set persons on the right path again, to enable them to live with dignity and purpose and wholeness, and to move our world in the direction of peace and brother and sisterhood.

As we join in this sacred remembrance of our Lord's death and resurrection, Holy Week and Easter, may we hear his voice calling us to rise up and follow him.

With love,
Carol

Thank You

Sincere thanks to everyone who contributed time, people power, baked goods, grocery items and money toward the support of our Annual Corned Beef and Cabbage Dinner. This year we cleared \$1500 to assist with Church expenses! We especially wish to thank Carol Hart for stepping up to the enormous task of ticket sales this year. This dinner has become one of our most lucrative fundraisers and the support of our congregation is as important as the support of our community.

With appreciation,
Jeanne Valentine-Chase and Dyan Wapnick, Co-Chairs

Special Called Presbytery Meeting on April 26, Celebrating the Ministry of Susan Andrews

Mark your calendars now for a memorable and heartfelt celebration of the ministry of our General Presbyter, Susan Andrews, who is retiring after nine years with HRP and a distinguished history of service to the church.

The event will be held Sunday, April 26 from 3:00pm-5:00pm at Holmes Camp and Conference Center. Susan's celebration is a specially called presbytery meeting with the only piece of business being her honorable retirement. Because it is a presbytery meeting, all teaching elders and ruling elder representatives from each congregation should plan to attend. Those who are unable to attend should submit their requests to be excused to Lori Hylton, lori@hudrivpres.org.

Come to the Waters - The 2015-2016 Horizons Bible Study
By Judy Record Fletcher

Come to the Waters by the Rev. Judy Record Fletcher is the Horizons Bible Study for 2015-16. The lessons of the study feature stories and images of water in the Bible. Just as water nourishes our bodies, so the passages on water nourish our spirits. The study opens with the chaotic waters of Creation and ends with the River of Life in the Revelation to John. Baptism, the absence of water, and streams of mercy are some of the other lesson themes.

Water is a universal theme - every living thing needs water. Plants, animals, and humans cannot live without it. Our bodies are 60% water and 75% of our brains are water. Before our birth, we humans live in water. Water is central in our daily lives and it appeals to our five senses as we enjoy looking at a lake or stream, listening to a babbling brook, smelling rain just before a rain shower, tasting a cold drink of water, or feeling waves roll over our feet.

Water is a central issue before the world today. At the time of this writing, twenty-four states are in drought and the prediction is over thirty states in just a few years. Millions of people walk miles each day to have even a small supply of water for the day.

As the author, my hope is that women studying *Come to the Waters* will have their spiritual thirsts quenched as they grow in faith and understanding. I hope the study of these lessons on water images in the Bible and their implications for our Christian living today will be compelling and meaningful.

Chill small glass bowl and beaters. Combine ingredients and whip on high speed with mixer until consistency of whipped cream. This does work but everything HAS to be cold.
